And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.
2 Timothy 2:2

FOUR GENERATIONS REACHING THIS GENERATION

FOREWORD

Welcome to African Academy Bible College.

Thank you for showing interest or enrolling with us at African Academy.

A Bible College with a big difference. Not only do we believe in teaching, training and equipping you with the Word of God – but we believe that we will also get you to apply and get very practical with the things of God, and this is all called: **The Transfer of Knowledge.**

So from us here at African Academy, we would like to pray with you as you study and learn Gods Word. African Academy sends a personal welcome to you and thanks you for being among the increasing number throughout Southern African – and eventually the world to experience this unique, educational and spiritual opportunity of learning the three principles of LEARNING – head knowledge, heart knowledge and hand knowledge.

Head knowledge – learning the theory of the Word of God

Heart knowledge – applying the Word of God as a way of life – personal

Hand knowledge – learning how to make it applicable and practical – and eventually learning to give it away or teach others according to 2 Timothy 2:2.

The very fact that you have set the course to enroll in African Academy – and your desire to know more of the Word of God can only equip you for greater service for your calling and what God is requiring from you in His service.

You will work at your own pace, starting and finishing in your own time – but it would be good if you set yourself a task of doing ONE lesson per day. Just think about it – 1 lesson per day – will eventually be 365 lessons that you have completed in ONE year.

So our encouragement to you is – stick to the task ahead of you. Remember we are here to help you – and if you have any questions or problems – just let us know and we will see if we can help you through it.

We encourage you to continue until the course is completely finished. You are appreciated as a student, and as a fellow believer in Christ.

If you have any questions, please contact us.

May God bless you,

African Academy Bible College.

The big question you might be asking: Why should I study the Bible and the Scriptures? Here are 5 clear reasons to do so by Raul Ries.

The Bible is an incredible book of history and facts that proves that there is a God that created all things. Most important of all, the Bible is the Word of God. It contains the mind of God and His will for each one of our lives. That is why the Bible was given to us. Paul the Apostle says in 2 Timothy 3:16-17, "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work." Why should we study the Word of God? The following are a few scriptural reasons that we should consider when answering this question.

First, the Word of God is infallible. There is no error in God's Word. The law of the Lord is perfect concerning our soul. The testimony of the Lord is not only infallible it is inerrant. Proverbs 30:5-6, "Every word of God is pure; He is a shield to those who put their trust in Him. Do not add to His words, Lest He rebuke you, and you be found a liar." The purity of His words does not need anything added to it. God warns us not to misrepresent His scripture.

Second, the Word of God is complete. The Bible does not need any new chapters or verses. It is all given to us already. Many cults add their own books or commentaries to the Bible. All you need is God's Word because it is the holy Word of God. It is complete. In Revelation 22:18-19, God gives us a warning, "For I testify to everyone who hears the words of the prophecy of this book: If anyone adds to these things, God will add to him the plagues that are written in this book; and if anyone takes away from the words of the book of this prophecy, God shall take away his part from the Book of Life, from the holy city, and from the things which are written in this book."

Third, the Word of God is totally authoritative. The book of Psalms 119:89 says "Forever, O LORD, Your word is settled in heaven." The Word of God is the only source for absolute divine authority. This divine authority is for you and me as servants of Jesus Christ. When some say, "I have a word from the Lord for you," write it down and as you study God's word see if the Lord speaks to you through His Scriptures. Only then will you know if the Lord is truly speaking to you.

Fourth, God's Word is totally sufficient for all of our needs. We don't need anything else. In 2 Timothy 3:16-17 it reads "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work." We Christians can be totally secure in the Lord by studying the Bible because it is God's plan for our life.

And fifth, the Word of God will accomplish what it promises. If God told you something will happen, and you wait, it will happen. In Isaiah 55:11 it says, "So shall My word be that goes forth from My mouth; It shall not return to Me void, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it." God sent His word to accomplish His perfect will in our lives. If God makes a promise to you He will fulfill it in His own time. There are so many promises given to us in the Bible. These promises reassure us and bring comfort to our lives in our times of trial. I challenge you to take time to study the Word of God. The Lord will show you wonderful things that will change your life.

The next question – should be Why would I choose African Academy Bible College ?

Well here are some reasons for you to consider:

- We only use the Bible as our main TEXTBOOK – although we use a lot of other reading material
- We use the principles of the Bible to during this journey of instructions – to teach, train and equip you.
- We get you to read and quote a lot of Scripture – up to about 30% of all the answers are direct from the Scriptures
- We teach, train and equip you through the transfer of knowledge – that means you take to the knowledge of the Bible and show it to you so that you learn and gain in it
- We teach, train and equip you by using the comprehension base of reading, understanding and answering questions
- We teach, train and equip you by allowing to work at your own pace – as fast or as slow as you want
- We don't have years or semesters – you start and finish at your own pace
- We have a wide selection of courses – a multitude of choice in what you would like to study – once all the subjects have been completed we will have over 800 subjects
- Our cost structure is reasonably priced – you cannot get anything cheaper

Now the last question here should be: What should I study ?

That is a very interesting question – and we will answer it like this. We will take each of our divisions and subjects – which you can see in detail further in this document – and explain them to help you make a decision of what to study.

Theological Studies – are subjects and topics that are related to Theology – but because Theology is too big – the split had to be done. These are subjects that are not intense but a general view of the Scriptures. From those that are just starting out in the journey with Jesus Christ – this might be where you need to start.

Theology – is all about doctrine – and related subjects to help you understanding doctrine. If you are already pastoring a church – and don't have too many problems with the church and leadership – and want to know more of the Scriptures to help with the teaching, training and equipping – then studying Theology would help you.

Pastoral Theology – this is all about the church and leadership – dealing from Church Admin to leadership issues and instruction.

Expository Teaching – this is all about verses by verses teaching – if you have been in leadership and pastoring a church for many years – and require a re-fresher course – then doing Expository Teaching will help you. Just remember this is a very intense course – at the end you will have answered over 35,000 questions.

Biblical Counselling – this is still in the development stage – but the first 20 odd subjects are ready – and you can start in this if you believe God has called you to help people through the many problems and issues of life. This course will not help you or make you into a professional in this field – but rather will give you the necessary tools to help comfort people that are hurting. You will gain knowledge of how to handle certain problems – and you people into the Scripture to gain the help that they need.

Apologetics – if you feel you are called into the Evangelical – issues the witnessing to the “other” religions and cults – this course will help you gain the necessary knowledge to be able to speak to them. Apologetics is not about apology – but rather to answer questions when people ask you about the Scriptures.

Biblical Leadership – and extensive study on what leadership is all about in the Body of the Lord Jesus Christ – His church – and the function it plays to bring about Ephesians 4 and 2 Timothy 2:2.

The above 7 divisions – **we do not give any credits** – because a lot of the subjects run right through from diploma to doctorate.

Christian Theology – a combination of subjects that help to understand the Bible – and is able to grant credits so that the student can start at the level that credits are granted.

The divisions where we offer credits – **Thesis Studies**.

It needs to be clear that our policy of granting credits needs to take into consideration that only Biblical diplomas and degrees – or all previous studies will be considered – no secular degrees or work will be considered.

That is all the studies are done by you writing a thesis – essay – on the subjects that you will be given. It must be noted that only a small amount of material is given here – the rest of the research is up to the student. It must also be noted that the length of the thesis – is the primary task – if 5000 words is asked for – that will be the starting point of the grade for the thesis.

Ministry – is all about the ministry and what you most likely to encounter with the church and people.

Biblical Studies – a general picture about the Scriptures

Practical Theology – a lot about theology and doctrine – but looked at from a different view

Christian Theology – this allows you to read, understand and answer questions

For the stand along Diplomas – we have the following on offer:

Woman`s Ministry – if you are led to lead your woman`s group and ministry in the church – and need some teaching – this is where you need to start.

Children`s Ministry – this will be developed up to Bachelor Degree level – if you have been called to help and teach children in the church – then this type of training is for you.

Youth Ministry – called to lead the Youth – then you need to start here.

Evangelism – called to be an Evangelist – here is a course that will help you.

Praise and Worship – called to lead in worship – this course will help you understand all about praise and worship.

Church Admin Formation – all about admin, finance and leadership

Home Church Care – a diploma study on how to ran home cells

Book of Acts – a study of the Book of Acts – so that the full understand of how important the Book of Acts is in relationship to the Gospels and Epistles

We are not registered or accredited in South Africa – not of our choosing – but the reality of the facts – and the difficulty of the Dept of Higher Education.

We are the approved member of AICCS

Welcome to All Students to African Academy.

Once again – thank you for showing an interest and maybe the enrolling with African Academy – and we trust your experience of learning and the transfer of knowledge will benefit you greater in your walk of life and ministry in Jesus Christ, our Lord and Saviour.

As the Bible instructs us:

“Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth”. **2 Timothy 2:15**

This is your opportunity to do just that. This is your time to study. This is your time to gain the knowledge of the Word of God that you can know just how to rightly divide the Word of Truth.

As the Bible clearly states “He (Jesus) Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ; that we should no longer be children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftiness of deceitful plotting.” Ephesians 4:11-14 (KJV)

Your desire to know more of the Word of God can only equip you for greater service for your calling in His Name.

What do I do next after enrolling?

You will be contacted with an email. This email will instruct you of what will be happening.

But in a nutshell – once you have paid the deposit – the Bible College will start the process of emailing the subjects to you (or if you are print student – we will mail the manuals to you).

Once you have the subjects – it is time to get down to some hard work.

This process and method of learning is based on COMPREHENSION.

You read the lessons and subjects – understand, maybe do some research on your own – and then answer the questions at the end of each lesson.

There is only ONE text book – and that is the BIBLE, although there will be recommendations to other books – to which the student must purchase – but the whole process for the Bible College and student is to keep the costs down as low as possible.

Everything you need will be in the lesson.

We have recently developed and added the AUDIO material to help the student.

As African Academy strives to practical teach you – it is important to read the questions carefully and see the instructions or the requests in the questions.

Let us give you an example:

- Please explain – that means a few lines.
- Few lines – is anything between 3 and 10 lines
- Must be an half a page – it means to write a half a page
- What does this mean – does not mean a one word answer – it is asking you to explain
- In your own opinion – it is asking for your own view and opinion
- Develop this – means to do your own research on top of what you have read

So as you start this wonderful journey of learning and transfer of knowledge – we pray that the Word of Truth – the Living Word – Jesus Christ, will teach you, train you and equip you for His service and calling.

God Bless

African Academy

African Academy Statement of Faith

The Bible is the inspired and only infallible and authoritative written Word of God. (Ps. 119; Mat. 4:4; Lk. 24:27)

There is one God, eternally co-existent in three Persons: God the Father, God the Son, and God the Holy Spirit. (I Jn.5:7)

In the Deity of our Lord Jesus Christ, in His Virgin Birth, in His Sinless Life, in His Miracles, in His Vicarious and atoning Death, in His Bodily Resurrection, in His Ascension to the Right Hand of the Father, in His personal future return to this Earth in Power and Glory to rule a thousand years. (Jn.1:1-4; Eph.2:13-18; Rev.Chpts.19-20)

In the Blessed Hope - the Rapture of the Church at Christ's Coming. (I Thess.4:13-18)

The only means of being cleansed from sin is through Repentance and Faith in the Precious Blood of Christ. (Rom.5:1; Eph.2:8-9,13-18)

Regeneration by the Holy Spirit is absolutely essential for personal Salvation. (Jn.3:5-8; Titus 3:5)

The Redemptive Work of Christ on the Cross provides healing of the human body in answer to believing prayer. (Ex.15:25-26; James 5:14-15; I Pet.2:24)

The Baptism with the Holy Spirit, according to Acts 2:4, is given to Believers who ask for it. (Acts 2:4; 10:44-46; 19:1-7)

Sanctification: We believe in the Sanctifying Power of the Holy Spirit by Whose indwelling the Christian is enabled to live a holy life. (Rom.6:3-14; 8:1-2,11)

In the Resurrection of both the saved and the lost, the one to Everlasting Life and the other to everlasting damnation. (Rev.20:5-6, 11-15)

Leadership – the ordained Gifts of the Holy Spirit seen in 1 Corinthians 12 & 14 – Ephesians 4:11 – 1 Timothy; 2 Timothy and Titus – 1 Peter 5

African Academy Bible College.

Welcome to the African Academy – the Bible College with a difference.

Why ? The difference – well, we don't only believe in the teaching, training and equipping (TTE) of the Word of God as an academically principle, but also in the practical training of all students.

We at the African Academy will not only teach you the Word of God – we will train you to be practical about it as well.

Our history is birthed out of the Great Commission Bible College – from the USA.

Our style and method of TTE – is very similar to GCBC – with a practical twist to our academical record.

Our Mission and target is mainly to Africa – but all are welcome from all over the world.

Our commitment is to you the student – by all means within Scripture, we will get through this.

We do not discriminate due to colour, race, creed, age or education.

Our communicate mode is English for now – so therefore, if you are born again, and can read and write English – you are most welcome.

African Academy Bible College Introduction

What a tremendous privilege and responsibility you have, a high-calling/training for the work of the ministry, and our partnership with you to fulfill that calling and ministry in your life. You are doing this by helping fulfil your call by becoming equipped for present and future ministries, through your enrolment and study at African Academy.

It will try to bring all the information needed of what you can expect at African Academy, and what we at African Academy expect of you the student.

Each student should seek o develop a very high ideal, integrity and standards of conduct while he/she is enrolled at African Academy.

History, Purpose, and Development of African Academy

In this section we include a brief history of the founding and development of African Academy.

Our purpose was to write and present a more practical subject and course – and this brought about the birth of African Academy – to reach Africa for Jesus – to teach,

AABC Handbook 7

Our development is still very early stages of writing and establishing courses and subjects – registration and accreditation – but we have hope that for many years until Jesus comes – we will be able to serve this great place we call home – AFRICA.

It is to this purpose that African Academy is dedicated, to recruit, train, motivate, and mobilize a network of international harvesters for the Kingdom, especially here in Africa, and then to world.

African Academy was conceived by the Holy Spirit out of a desire and cry for help to give a more practical aspect to the teaching and training. The very first requests was for Church Administration – as within the African Church – this does not exist. So the very first subject written was Church Administration – and then Biblical Geography.

And it was within this request – the whole concept was birthed and brought about.

African Academy is in the aspect of birthing a vision designed to move ordinary men and women of God – steeped in the theory of the Word of God to a more practical, hands on ministry.

This course and subjects will take you the student way beyond the aspects of “theory” training – but into the realms of practicality, on the ground, face to face with the realities of ministry and working with God’s people.

Your participation in this whole process of practical learning and transfer of knowledge brings a huge challenge to you the student – in that:

- There is a lot of work ahead of you
- And then too eventually to bring about a spiritual reproduction, according to 2 Timothy 2:2.

Mission Statement :

The vision and purpose of African Academy is to equip the saints (you’re the student that has enrolled) for ministry through timely, cost effective practical, hands on, transfer of knowledge training of the Word of God.

Our desire is to teach, train and equip you – to encourage you to finish and celebrate at the graduation – where you will stand up and be recognized for your study and achievement.

But not only to do the above and far more – but also to empower you to follow suit in the teaching, training and equipping others – Reaching this generation with the 4 generations.

Our Non-discriminatory Policy to all Students

We do not discriminate any student based on race, gender or language restrictions.

We believe that if you have the desire to study the Word of God – and can read and write English – we are prepared to help you.

Overall Picture of the Bible College:

We are solely a distance learning Bible College – studying either via email or manual.

Transfer Students :

Students desiring to transfer credits into the college from another Institute are required to submit a copy of an official transcript. It must be a Biblical Institute – not a secular organization or college. It must bear the seal of the institution. Credits may be granted for relevant work done on an equivalent level. However, as we are basically a Bible centred institution, only those kinds of credits can be transferred toward further studies

Assignments and Examinations

There are NO examinations. All work is done at home.

Normal cut-off to be ready for the graduation is about 15th October each year.

Graduation is normal the last Saturday in November or the 1st Saturday in December.

Venue – will be in Pietermaritzburg.

Students are encouraged to prepare a study schedule at the beginning of each lesson and adhere to it carefully so that sufficient time is allotted for study – so that, each student will make the cut-off.

All assigned work (term papers, book reports, etc.) must be sent in as urgent as possible.

Costs

Due to the problems with many students not paying after they had paid the deposit – and the cost of following this up – we at the Bible College have made the decision that **entire amount** must be paid before any material is sent via email or printed for the student.

Due to the circumstances – for all the students that will be studying via email – we are prepared to help by letting you pay for 2 or subjects at a time.

For example: if a student registers for the Pastoral Theology Diploma – the cost is R1650 – that entire amount must be paid before anything happens.

Just for the lockdown – we are allowing students to pay for 2 subjects at a time.

2 x R150 = R300

This section will be subject to changes.

For the Main and Stand Alone Divisions – the following will apply:

Email – R150 per subject

For those that are applying for credits – once the assessment on the credits have been done – a quote for the studies will be forwarded to the student.

Thank you.

God Bless

Dr John Perfect
